

MPACT HIGH SCHOOL STUDENT MINISTRIES
Outside the Box

Dear Parents and Students,

We are so glad you have made the decision to be with us for an amazing week at summer camp. Please be praying for all of us who will be going on this trip. We will be camping out and staying at Campland on the Bay at Mission Bay.

Drop off and Pick up information

Check in will begin Monday July 26 at 2pm at Campland on the Bay and **Pick up** will be on July 30 by 10 am at Campland on the Bay.

This week will be one for the memories! We are so excited to see what God is going to do. Camp is always one of the weeks we as pastors can't wait for because we know the difference this week makes on the students lives.

SUMMER CAMP Packing List: Clothes for 5 days: jacket or sweater (it can get colder at night), appropriate / modest beach clothes, clothes you can get dirty, Bible, pen, toothbrush, toothpaste, deodorant, sunscreen, towel for showers and beach. Extra money for miscellaneous items you may want at the local store/camp food vendor. All meals are provided. **Girls:** one piece swim suits are preferred. If you bring a 2 piece swim suit please make sure it covers well and bring a shirt to wear over your suit if **we** decide it shows too much. **Guys:** Board shorts. No Speedos!! Space for luggage is EXTREMELY limited so please only what you need - (**ONE Small** suit case and backpack). **BEDDING:** Sleeping bag, pillow, NO INFLATABLE MATTRESSES. ALL Final payments are now DUE. Please turn them in ASAP. If you need to know what your balance is please call Polly. **No's for everyone:** No CD Players, I-pods, MP3's, stereos, cell phones, inflatable mattresses, weapons, air soft guns or valuables.

Yes's for Everyone! My final words are what I say every year. **Camp is** not designed for you to hook up with a girl or guy. It is designed for you to HOOK UP WITH GOD! Satan will do everything he can to make that NOT happen, including distracting you with one of GOD'S people. Don't do it, don't think about it, and please do not be miss lead into thinking that GOD is sending you this "person". If GOD wants you to be with someone you know or meet at Camp, then it will happen after you come home.
