CHURCH

Helping people find and follow
Jesus seven days a week.

Position: Production Manager

Location: La Mesa, CA | Lakeside, CA | Clifton, KS

Attendance: 3,500

Provide support to Worship & Creative Arts Pastor in the operation, management, and leadership of all production requirements at Skyline Church. This position leads production staff and volunteers, works closely with band and worship leaders, events staff, and other ministries within and outside Skyline Church.

PRIMARY DUTIES AND RESPONSIBILITIES:

1. Production Training

- Create training procedures, campus constants, and deploy campus wide systems and processes for efficient staff and volunteer training for all Skyline campuses.
- Work with product dealers, manufactures, and current team members to develop technical training curriculums and training events for staff and volunteers.
- Oversee, support, and train staff and volunteers.

2. Technical Direction Responsibilities

- Ensure that stages and equipment are well maintained and presentable.
- Attend all scheduled leaders meetings, and other major events as required for all leaders.
- Lead Production teams for weekend services and events, and maintain HIGH-LEVEL production value.
- Work closely with Worship & Creative Arts Pastor in creating and meeting yearly budgets for operations and events.

PRIMARY STRENGTHS / SKILLS REQUIRED:

- Strong live production skills.
- Ability to lead, motivate, and train large groups of staff and volunteers.
- Ability to troubleshoot a live-production environment.
- Excellent organizational/communication skills.
- Self-motivated with ability to work well and lead under pressure.

TO APPLY
