Helping people find and follow
Jesus seven days a week.

Position: Children's Pastor

Location: La Mesa, CA

Attendance: 4,000

Slingshot Group is honored to partner with Skyline Church as we seek out their next Children's Pastor.

Skyline Church seeks a dynamic Children's Pastor to guide kids, birth to fifth grade, to "find and follow Jesus seven days a week" and cultivate a ministry to grow in alignment with Skyline's core values and identities.

The core values of Skyline Church fuel their strategy for living out the mission. The Children's Pastor will develop these values in their personal life and create a professional environment that permeates these values:

- Found People Find People
- Growing People Change
- You Can't Out Give God
- You'll Never Walk Alone
- Saved People Serve People

With a centerpiece playground at the entrance to the church, Skyline is focused on families. Every weekend, 250-300 kids participate in the Skyline Kid's programs. The Children's Pastor will oversee the growth of this vital ministry - in the curriculum, in volunteer recruitment and retention, and in casting vision for the future. Skyline Church desires the Children's Pastor to dream big, creatively expanding this ministry through gratitude, commitment, strong work ethic, accountability, trust, and love.

Skyline Church seeks to reach the San Diego community through each member's personal relational network. The Children's Pastor will invest in the unique relationships God places around them. The CP will also cultivate a strong professional network of volunteers and staff within the children's ministry. They will lead their dedicated team with humility and grace, recruit high-level leaders, and encourage passion and excitement for the ministry.
