

Accomplishing the Vision

We want to light up the scoreboard in Heaven!

Having built the foundation, there are 4 pillars we must have to support the vision.

Pillar #1 | People

We are committed to finding the right people to join our team. Our vision for reaching 10/10/10 can only be accomplished if we continue to add teammates and sustain our healthy culture.

Pillar #2 | Processes

We must ensure that we have processes in place that will lead people to their next step of faith. Our processes will ensure each and every person that comes to Skyline church has an opportunity to be disciplined.

Pillar #3 | Finances

To reach the vision it will take significant financial gifts to fund the projects we have targeted and to take our outreach and community events to the highest level.

Pillar #4 | Facilities

God has blessed Skyline church with beautiful campuses that enable us to pursue the vision of 10/10/10. We must be willing to continually upgrade, expand, and find new facilities to reach more people while reflecting on and honoring our past through the future Skyline Historical Center.

Speakers/Video Board | Ministries

Ministries are the connecting points that we use to reach all age groups. In the Vision of 10/10/10 the following ministries are vital in telling people and showing people Jesus' love. A thriving church will have at least 10% of its total attendance in children's and youth ministries. We believe our small group ministry will have 80% of the people at the church connected to a group. Our 7-Steps discipleship goal is to see 75% of our members complete the 7 Steps. We also have a goal of seeing 50% of Skyliners take at least one short term missions trip.

Scoreboard | Oikos

The vision will only be accomplished by keeping the main thing the main thing. Oikos is the Greek word in the New Testament that means your relational network. It is those 8-15 people God has strategically placed in your life. Those 8-15 people are the Believer's primary mission field in life. It is no accident you live where you live and work where you work and your kids are on that baseball team, etc... God wants to use you to show them His love. Through our personal mission to our Oikos and through our missionaries around the world *we will light up the scoreboard in Heaven!*

Helping people
find & follow Jesus
seven days a week.

10 YEARS
10K PEOPLE
10 CHURCHES

10 What is the Vision?

The vision can be simply defined:
10,000 people at 10 campuses in 10 years because we want to light up the scoreboard in heaven.

We believe our God is a BIG God and wants us to have the faith to dream big! We are also believing God for 10,000 decisions for Christ in 10 years!

Every number has a name, every name has a story and every story matters to God.

We believe God is in control of the numbers, but it is our responsibility to create a framework and culture to make it possible to reach 10,000 people.

The Core Values of Skyline Church are very clear, but there is ONE core value that we cannot do in heaven. Evangelism. Once we get to heaven we will not have the opportunity to tell unbelievers what Jesus has done for us! The vision is based completely on dreaming big to influence as many people as we can for Christ.
